- 25X1 a. The West German border and alert police and the East German "People's Police"
- shall be combined into an army of 100,000 men, similar to the Reichswehr as
- it existed under the Weimar Republic, with long-term volunteer enlistments, no
- h heavy weapons, and no armed aircraft. Only coastal shipping would be permitted.
- b. The united government shall be free in its commercial and cultural foreign
- relations.
- c. There shall be no limitation on production, except of weapons.
- d. The new German government shall make no military alliances.
- e. Membership in the United Nations shall be arranged.
- f. Germany shall participate in all international conferences.
- g. The Oder-Neisse border shall be maintained.
- h. The Saar district shall be politically German, but economically French; a
